This will require us to obtain, use, disclose and otherwise process personal data about you and, if applicable, your organisation, its shareholders, members and/or officers and employees.

For clarity, Data Protection Law contemplates various grounds which may render processing of personal data lawful, including where it is necessary for a contract, mandated by law, if it is in our or your legitimate interest (and does not override your privacy), and/or if you give us your consent. Our Privacy Notice (which can also be accessed at www.argus.gi) or provided to you in hard copy upon request, explains how we process personal data. In providing our services we act as an independent data controller and are, therefore, responsible for complying with Data Protection Law in respect of any personal data we process. You are responsible for complying with Data Protection Law in respect of the personal data you process and, accordingly, where you disclose personal data to us you confirm and warrant that such disclosure is fair and lawful, that where applicable and necessary you have obtained lawful consent from others for you to pass on their personal data to us, to the Argus Group and third-parties to whom we disclose personal data (and for the Argus Group and said third-parties to share the personal data with us), and otherwise it does not contravene Data Protection Law. Nothing within this document relieves you of your own direct responsibilities and liabilities under Data Protection Law. Terms used in this clause bear the same meanings as are ascribed to them in Data Protection Law. This clause does not apply to the extent that we act as a data processor for you, in which case specific data protection instructions are to be signed between us.

BASIS OF SETTLEMENT

1. The Insurer will pay the Insured the value of the Property Insured at the time of its Damage, or at the Insurer's option will reinstate or replace such Property or any part of such Property.
2. The most the Insurer will pay for any one claim is the Total Sum Insured, or for each item its individual Sum Insured, or any other limit of liability in this Section whichever is the less at the time of Damage.
3. Any Excess will be deducted from the amount payable after the application of all terms and conditions of this Section and the Policy including any Average (Underinsurance) Basis of Settlement Adjustment. The Excess applies to each separate Premises.

AUTOMATIC REINSTATEMENT

In the absence of written notice by the Insured or the Insurer to the contrary, in consideration of Sums Insured or limits of liability not being reduced by the amount of any claim from the date of the Damage, the Insured will pay the appropriate additional premium due for the period from the date of Damage to expiry of the Period of Insurance, but this shall not apply in respect of theft or attempted theft.

BASIS OF SETTLEMENT ADJUSTMENTS

Subject to the terms, conditions, exclusions and limits of this Section, in calculating the most the Insurer will pay for any one claim, adjustments shall be made in accordance with the following clauses.

1. Reinstatement (Day One Basis)

- a. Subject to the Special Conditions set out below, the basis on which the amount payable for Buildings and Contents is to be calculated will be the reinstatement of the Property Damaged.

For this purpose "reinstatement" means

- i the rebuilding or replacement of Property Damaged

which, provided the Insurer's liability is not increased, may be carried out

1. in any manner suitable to the requirements of the Insured
2. on another site

- ii the repair or restoration of Property Damage

in either case to a condition equivalent to, or substantially the same as, but no better or more extensive than its condition when new.

- b. The Declared Value having been stated in writing by the Insured, has been used to calculate the premium.

“Declared Value” means the assessment by the Insured of the cost of reinstatement of Property Insured arrived at in accordance with paragraph 1ai of the Basis of Settlement Adjustments at the level of costs applying at inception of the Period of Insurance (ignoring inflationary factors which may subsequently operate), together with, to the extent that cover provides, due allowance for

- i any additional cost of reinstatement to comply with Public Authorities regulations, bye-laws or stipulations
- ii professional fees
- iii removal of debris costs.

Reinstatement (Day One Basis) Special Conditions

1. At the inception of each Period of Insurance, the Insured shall notify the Insurer of the Declared Value of Property Insured. In the absence of such declaration the last amount declared by the Insured will be taken as the Declared Value for the new Period of Insurance, appropriately adjusted for Index Linking where applicable.

For the purposes of this Condition, Index Linking shall be calculated in the following manner.

Sums Insured and/or Declared Values will be adjusted in accordance with current indexation percentages in the appropriate index and renewal premiums will be based on the adjusted Sums Insured and/or Declared Values.

The percentage changes will continue to be applied between the date of any Damage and the date when replacement or repair has been completed.

2. If at the time of Damage the Declared Value of the Property is less than the cost of reinstatement (as defined in paragraph 1ai of the Basis of Settlement Adjustments) at inception of the Period of Insurance, the amount payable by the Insurer will be proportionately reduced.
3. The Insurer's liability for the repair or restoration of Property Damaged in part only, shall not exceed the amount which would have been payable if such Property had been wholly destroyed.
4. No payment beyond the amount the Insurer would have paid in the absence of this clause will be made
 - a. unless reinstatement commences and proceeds without unreasonable delay
 - b. until the cost of reinstatement has actually been incurred
 - c. where Property Insured at the time of Damage is covered by any other insurance effected by the Insured, or on behalf of the Insured, which is not on the same basis of reinstatement.
5. All the terms and conditions of this Section and the Policy shall apply
 - a. to any claim payable under the provisions of this clause, other than where they are expressly varied by the terms of this clause
 - b. where claims are payable as if this clause had not been incorporated, except that Sums Insured will be limited to Declared Values.

2. Average (Underinsurance)

The Sums Insured by

- a. any items for Buildings or Contents subject to the Reinstatement (Day One Basis) clause are declared to be separately subject to Average as described in Special Condition 2 of such clause
- b. any other items of Property Insured (other than any Sum Insured applying solely to rent, fees, removal of debris or private dwellings) are declared to be separately subject to Average. This means if at the time of Damage the Sum Insured for any item is less than the value of the item covered by such Sum Insured, the amount payable by the Insurer will be proportionately reduced.

3. Contribution and Average

If at the time of Damage any other insurance has been effected by or on behalf of the Insured covering any of the Property Damaged, the Insurer's liability under this Section shall be limited to the Insurer's rateable proportion of such Damage.

If such other insurance is subject to Average (Underinsurance), this Section if not already subject to Average shall be subject to

Average in like manner.

If such other insurance is subject to any provision which excludes it from ranking concurrently with this Section, either in whole or in part, or from contributing rateably, the liability of the Insurer under this Section shall be limited to that proportion of the Damage which the Sum Insured for this Section bears to the value of the Property.

4. Public Authorities

Subject to the Public Authorities Special Conditions set out below, cover for Buildings and Contents includes an amount in respect of any additional cost of reinstatement which is incurred solely by reason of the necessity to comply with building or other regulations under or framed in pursuance of any Act of Parliament, with bye-laws of any public authority or to comply with the stipulations of European Union legislation, in consequence of Damage, excluding

 - c. under which notice has been served upon the Insured before the date of the Damage
 - d. in respect of undamaged Property or undamaged portions of Property, other than foundations (unless specifically excluded) of that portion of the Property Damaged
2. the additional cost that would have been required to make good the Property Damaged to a condition equal to its condition when new, had the necessity to comply with such regulations, bye-laws or stipulations not arisen
3. the amount of any charge or assessment arising out of capital appreciation, which may be payable in respect of the Property, by reason of compliance with any such regulations, bye-laws or stipulations.

Public Authorities Special Conditions

1. The work of reinstatement must be commenced and carried out without unreasonable delay and in any case must be completed within twelve (12) months after the Damage, or within such further time as the Insurer may allow, and may be carried out upon another site (if such regulations, bye-laws or stipulations so necessitate), subject to there being no resulting increase in the liability of the Insurer.
2. If the liability of the Insurer is reduced by the application of any of the terms and conditions of this Section or the Policy (other than as a result of this clause), the liability of the Insurer under this clause will be reduced in proportion.
3. All the terms and conditions of this Section and the Policy shall apply to any claim payable under the provisions of this clause, other than where they are expressly varied by the terms of this clause.
