DATA PROTECTION AND HOW WE PROCESS DATA

Processing of personal data is regulated by the Gibraltar General Data Protection Regulation and the Data Protection Act 2004 together with other laws which relate to privacy and electronic communications. In this clause, we refer to these laws as “Data Protection Law”.

During the course of our engagement with you, it will be necessary for you to disclose certain personal data to us in order that we may provide our services to you and to enable us to discharge the services agreed, to comply with related legal and regulatory obligations and for other related purposes including updating and enhancing client records and analysis for management purposes. This will require us to obtain, use, disclose and otherwise process personal data about you and, if applicable, your organisation, its shareholders, members and/or officers and employees.

For clarity, Data Protection Law contemplates various grounds which may render processing of personal data lawful, including where it is necessary for a contract, mandated by law, if it is in our or your legitimate interest (and does not override your privacy), and/or if you give us your consent. Our Privacy Notice (which can also be accessed at www.argus.gi) or provided to you in hard copy upon request, explains how we process personal data. In providing our services we act as an independent data controller and are, therefore, responsible for complying with Data Protection Law in respect of any personal data we process. You are responsible for complying with Data Protection Law in respect of the personal data you process and, accordingly, where you disclose personal data to us you confirm and warrant that such disclosure is fair and lawful, that where applicable and necessary you have obtained lawful consent from others for you to pass on their personal data to us, to the Argus Group and third-parties to whom we disclose personal data (and for the Argus Group and said third-parties to share the personal data with us), and otherwise it does not contravene Data Protection Law. Nothing within this document relieves you of your own direct responsibilities and liabilities under Data Protection Law. Terms used in this clause bear the same meanings as are ascribed to them in Data Protection Law. This clause does not apply to the extent that we act as a data processor for you, in which case specific data protection instructions are to be signed between us.

OTHER INSURANCE

This condition does not apply to personal accident benefits under Section 3, which will be paid as indicated under that section. This provision will not place any obligation upon us to accept any liability under Section 2 which we would otherwise be entitled to exclude under Exception 1 to Section 2.

YOUR DUTY TO COMPLY WITH POLICY CONDITIONS

Our provision of insurance under this policy is conditional upon you observing and fulfilling the terms, provisions, conditions and clauses of this policy.
